3 BY 1 MODEL: You sponsor three front-level distributors, all of whom are participating in Essential Rewards with a minimum 100 PV monthly order, and help one of them to sponsor one other distributor.

In month one, introduce three people to Young Living and help one of them to introduce one other person (3 by 1). Do this again in month two and encourage your new distributors to do likewise. At this point, you will have earned a \$100 bonus plus your other commissions and bonuses. In month three, continue to focus on 3 by 1. (You sponsor three; one of them sponsors one.) Encourage your team to do likewise. When you help two of your six front-level people earn the \$100 bonus, you earn a \$500 bonus. Help them earn the \$500 bonus and you earn a \$2,000 bonus!
